All Oil Companies

Subject: Instruction in Tender process Rules and Regulations

Dear All Oil Companies,

1. First of all, we would like to express our sincere thanks and appreciation to all of you for the great efforts in exploration and production oil and gas in Myanmar.

2. We also appreciate your esteem practice in tendering process for procurement of commodity and services locally and internationally. Concerning with the above subject, we would like you to know that our President Office set out the new instructions in early 2017 in Tender Rules and Regulations for local and foreign procurement of commodity and services.

3. In this context, when we check the aforesaid instruction, we notice that some facts are not concern with the current tendering process of our PSC operators except some following points. To be in line with the President Office's instruction, we would like to inform all oil companies to comply with the following directives-

- (a) The local companies who participate in the tender must be the companies who have officially registered in the Republic of the Union of Myanmar.
- (b) The local companies who participate in the tender must be the companies who have paid all outstanding local taxes and duties of the Republic of the Union of Myanmar.

-2-

- (c) The international supplier or service provider companies, after they win the tender, need to register in the Republic of the Union of Myanmar before contracting their purchase contract or service providing contract.

4. Therefore, all oil companies are informed to be in line with the above instruction and your cooperation is highly appreciated.

Sincerely yours,

For Managing Director
